DATA DOUBTS

Зависимость логарифма душевого дохода (долл.) от процента охвата населения интернетом для стран мира в 2014 г.

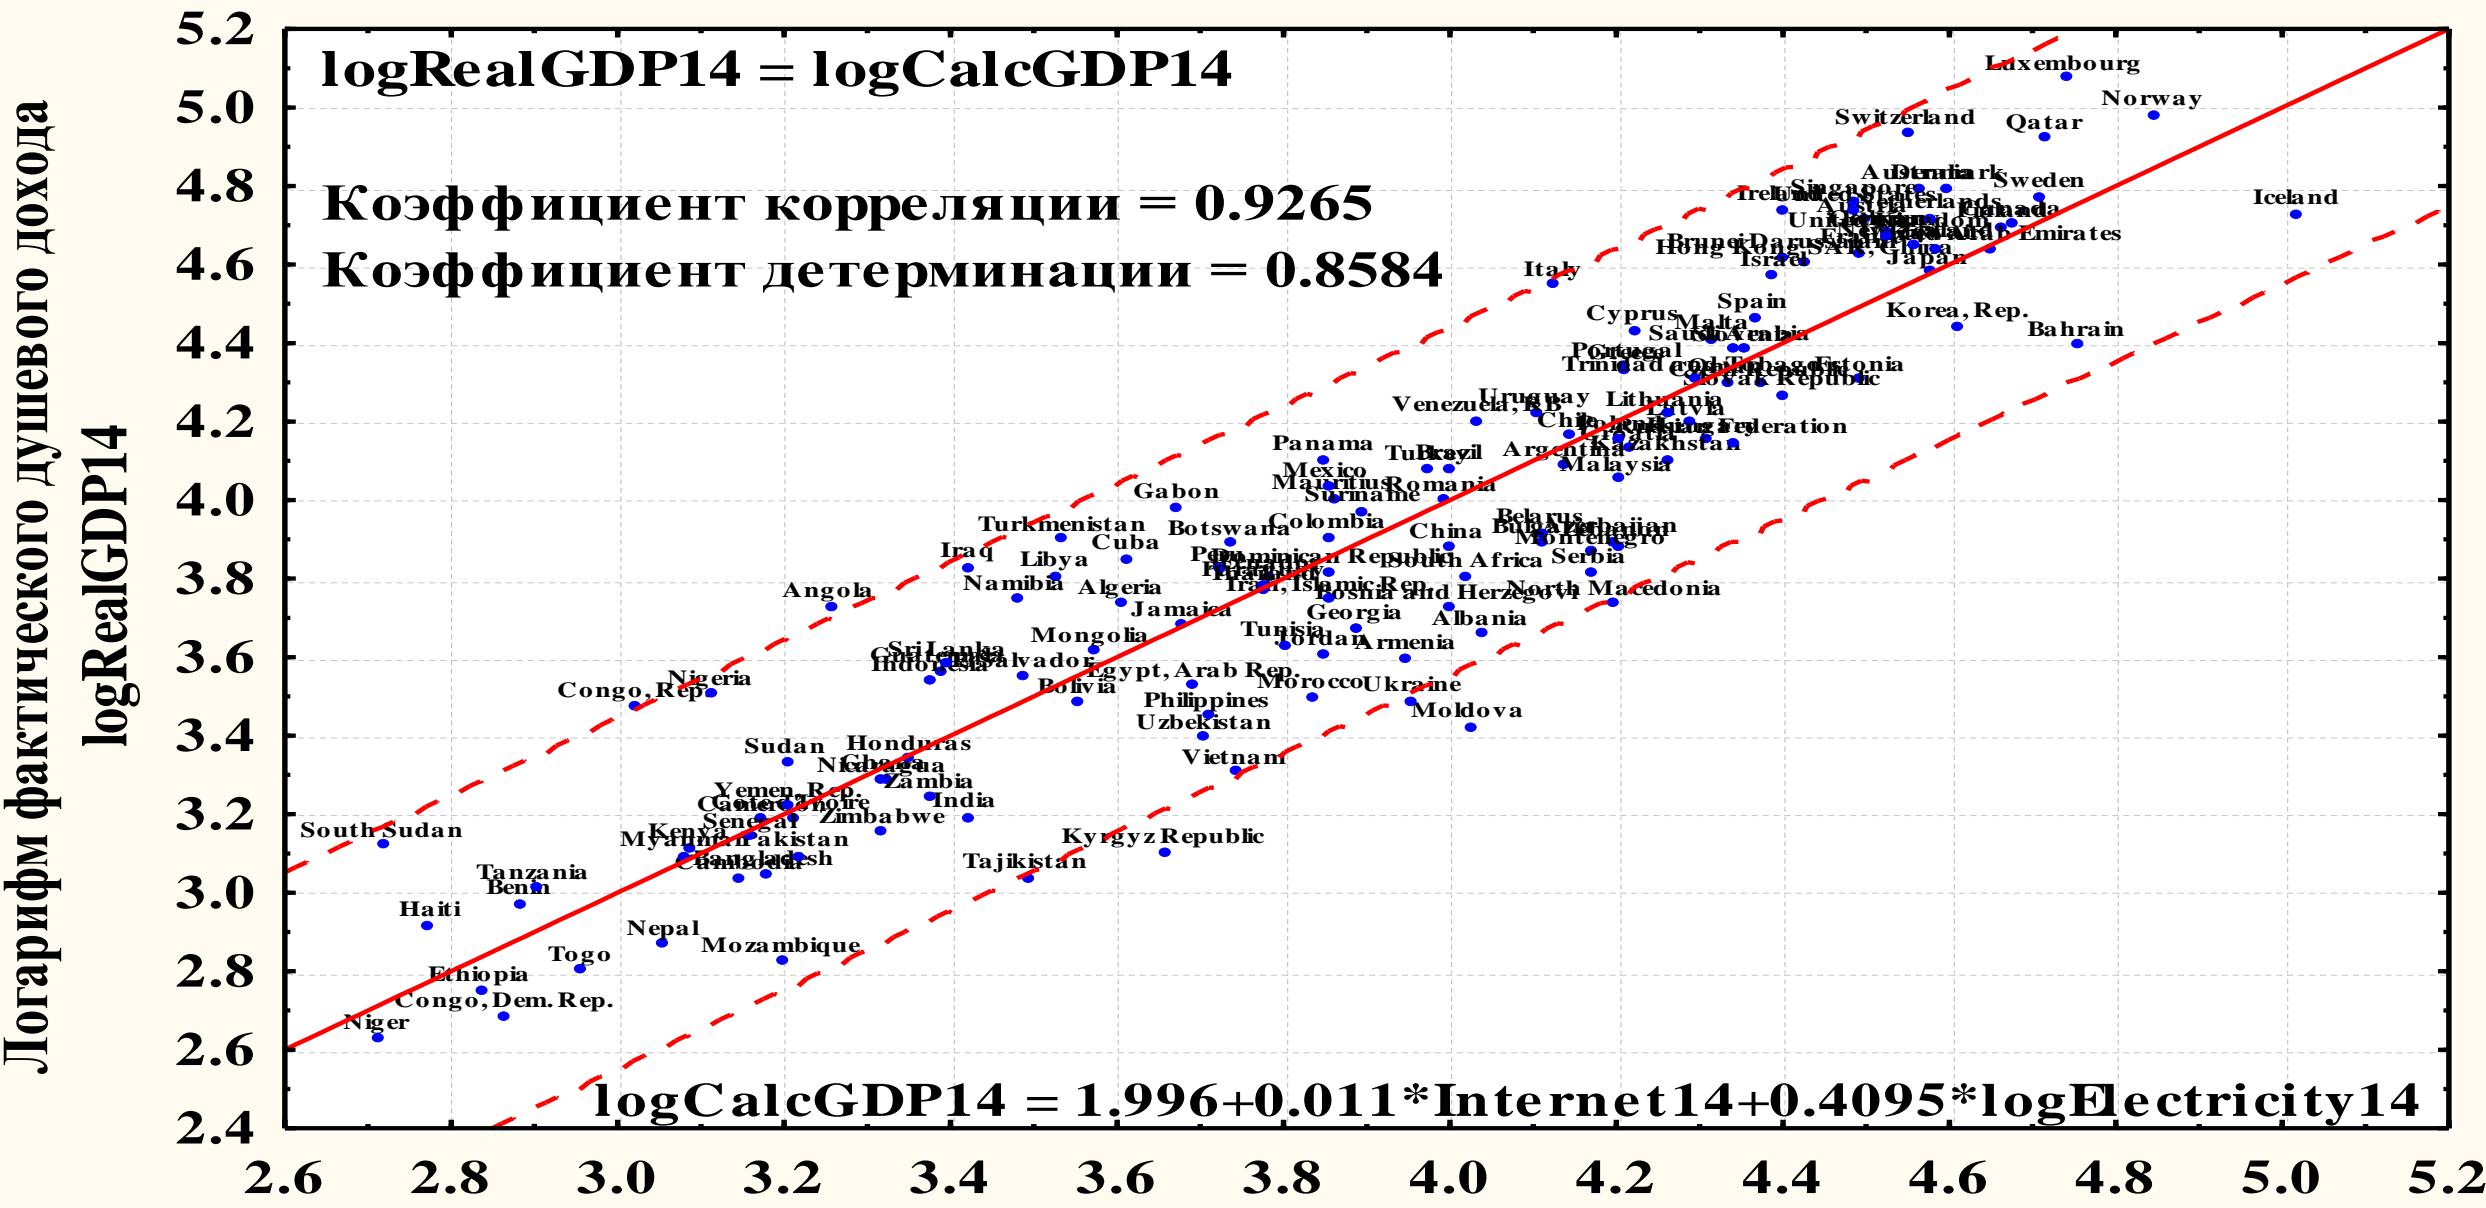

Линейная зависимость между логарифмами годовых душевых дохода (долл.) и электропотребления (кВт.ч) для стран мира в 2014 г.

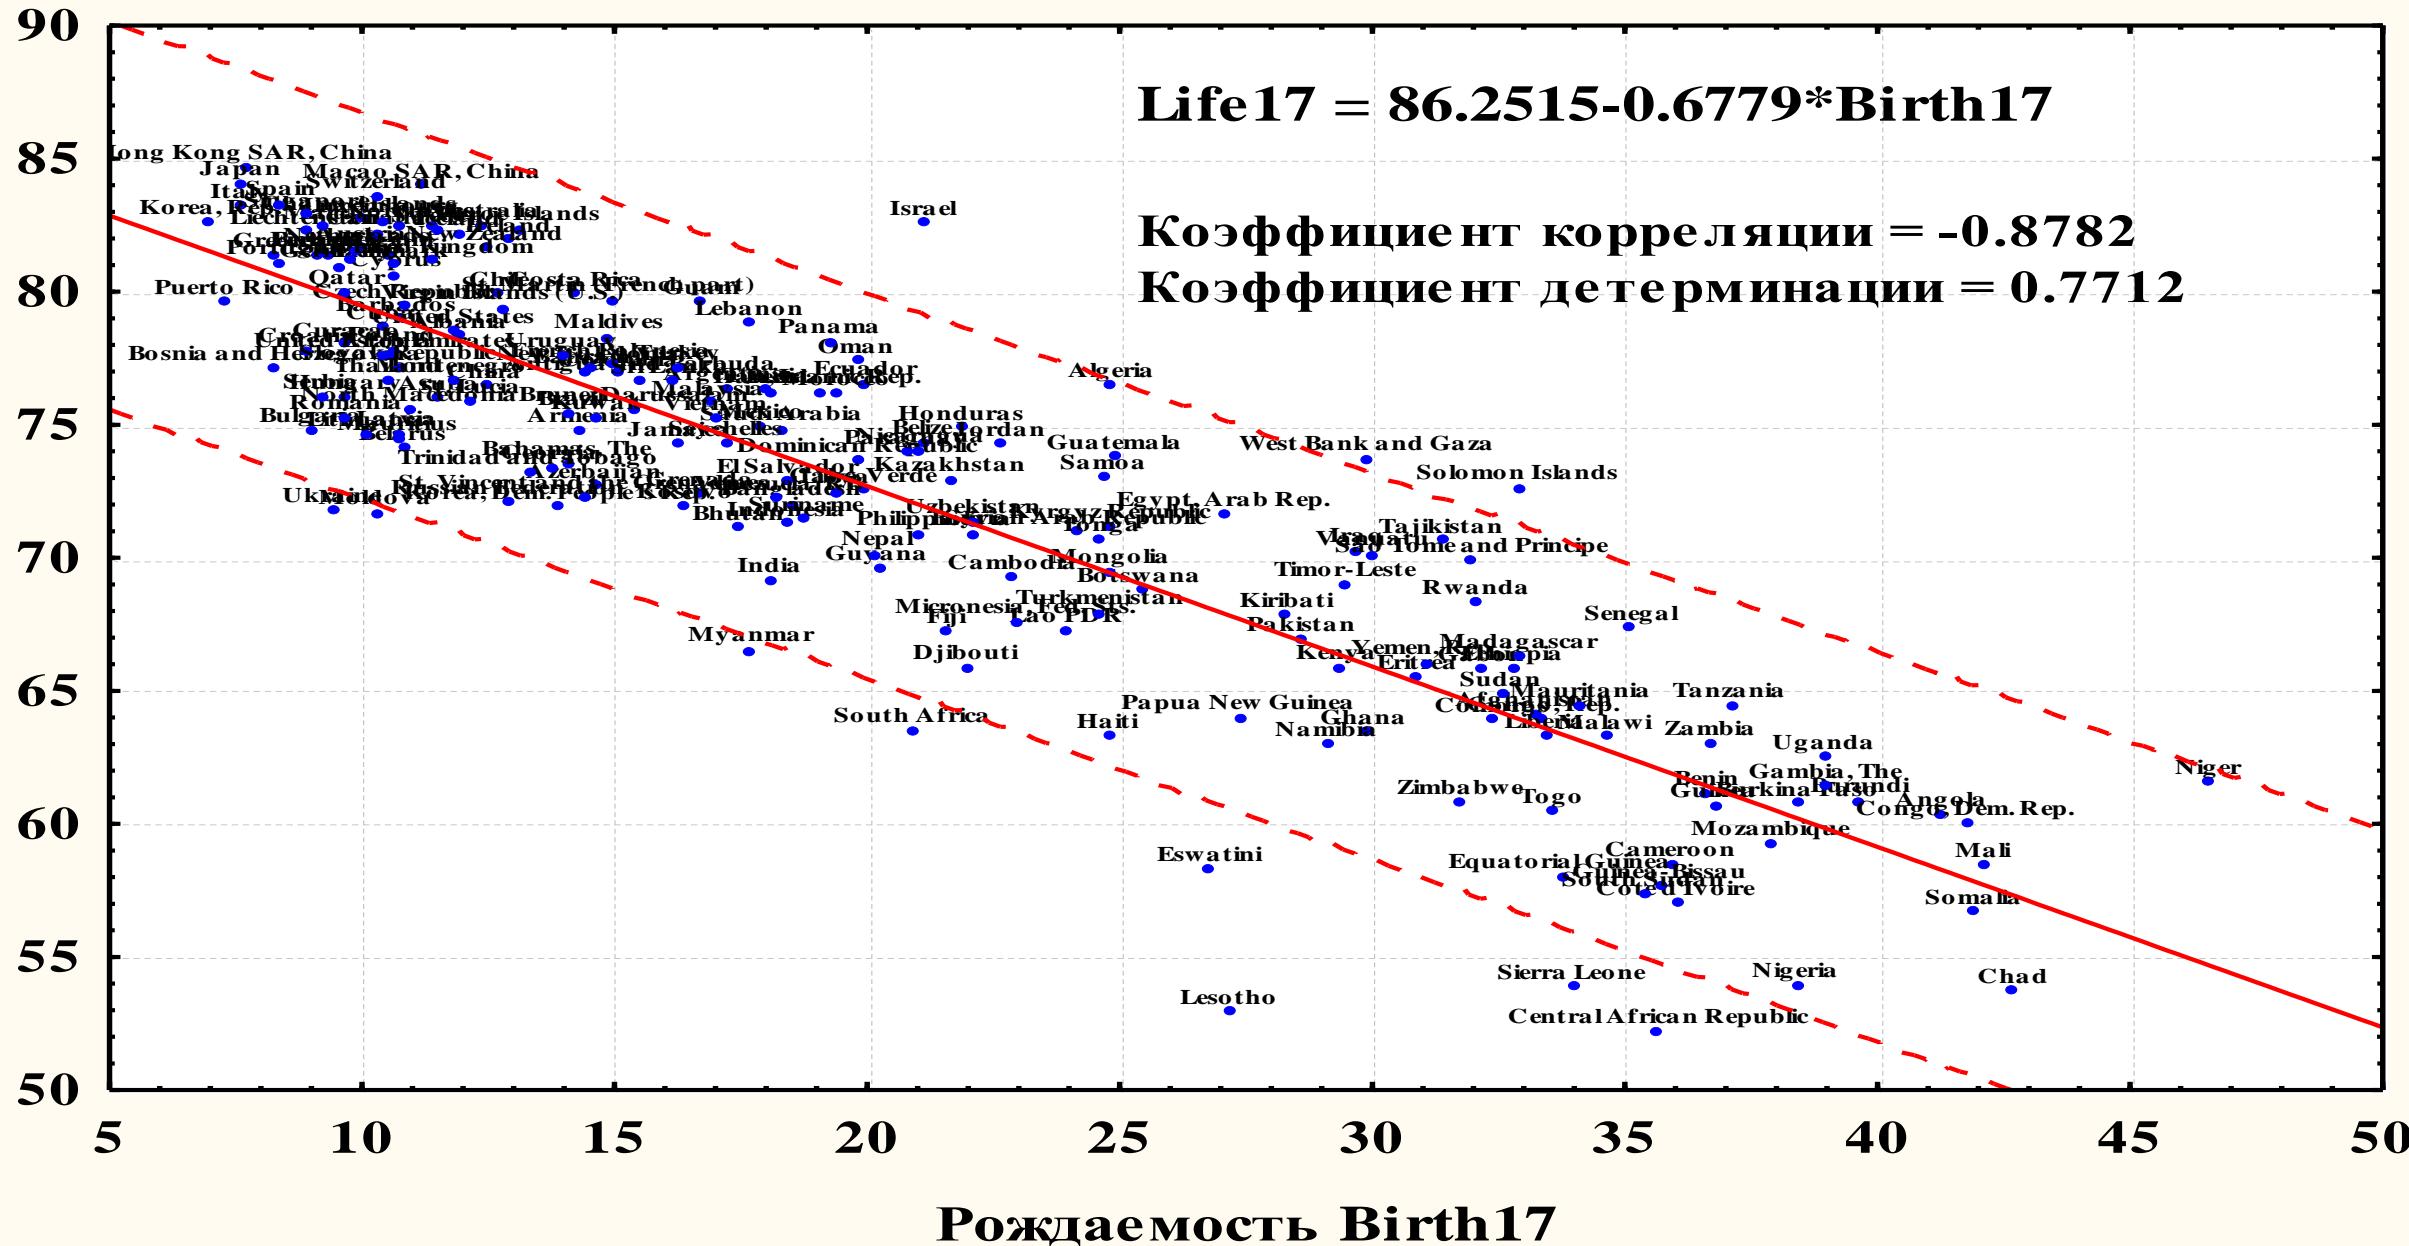

Линейная зависимость между логарифмами душевого дохода и рождаемости для стран мира в 2014 г.

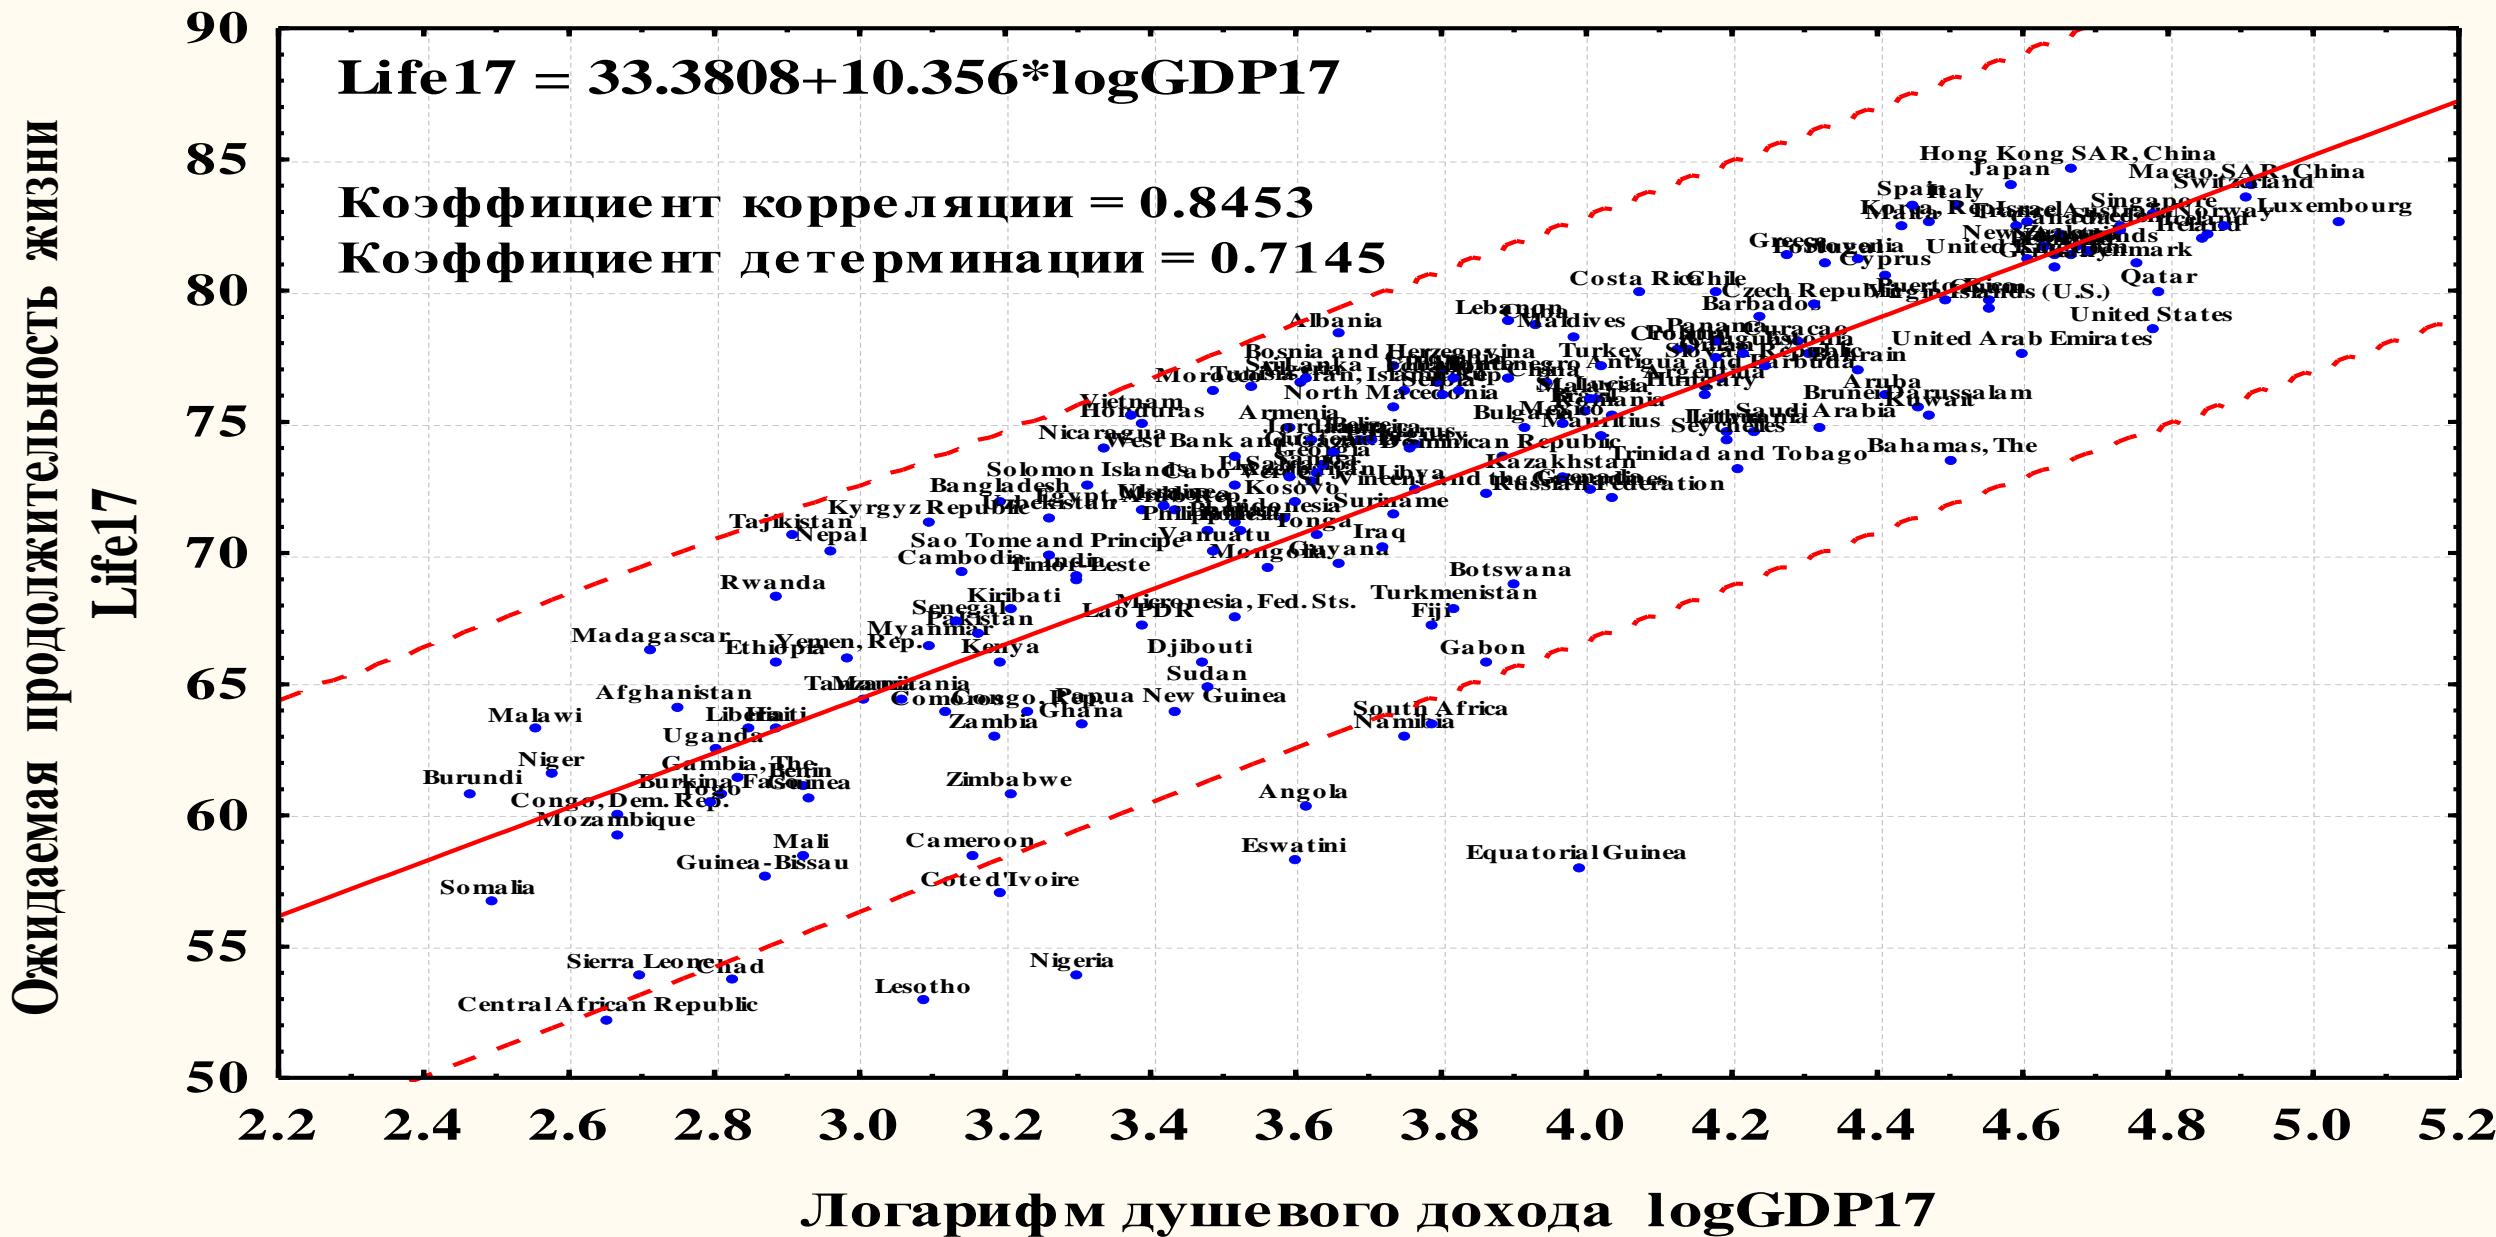

Зависимость между фактическим и расчётным логарифмами душевого дохода для стран мира в 2014 г.

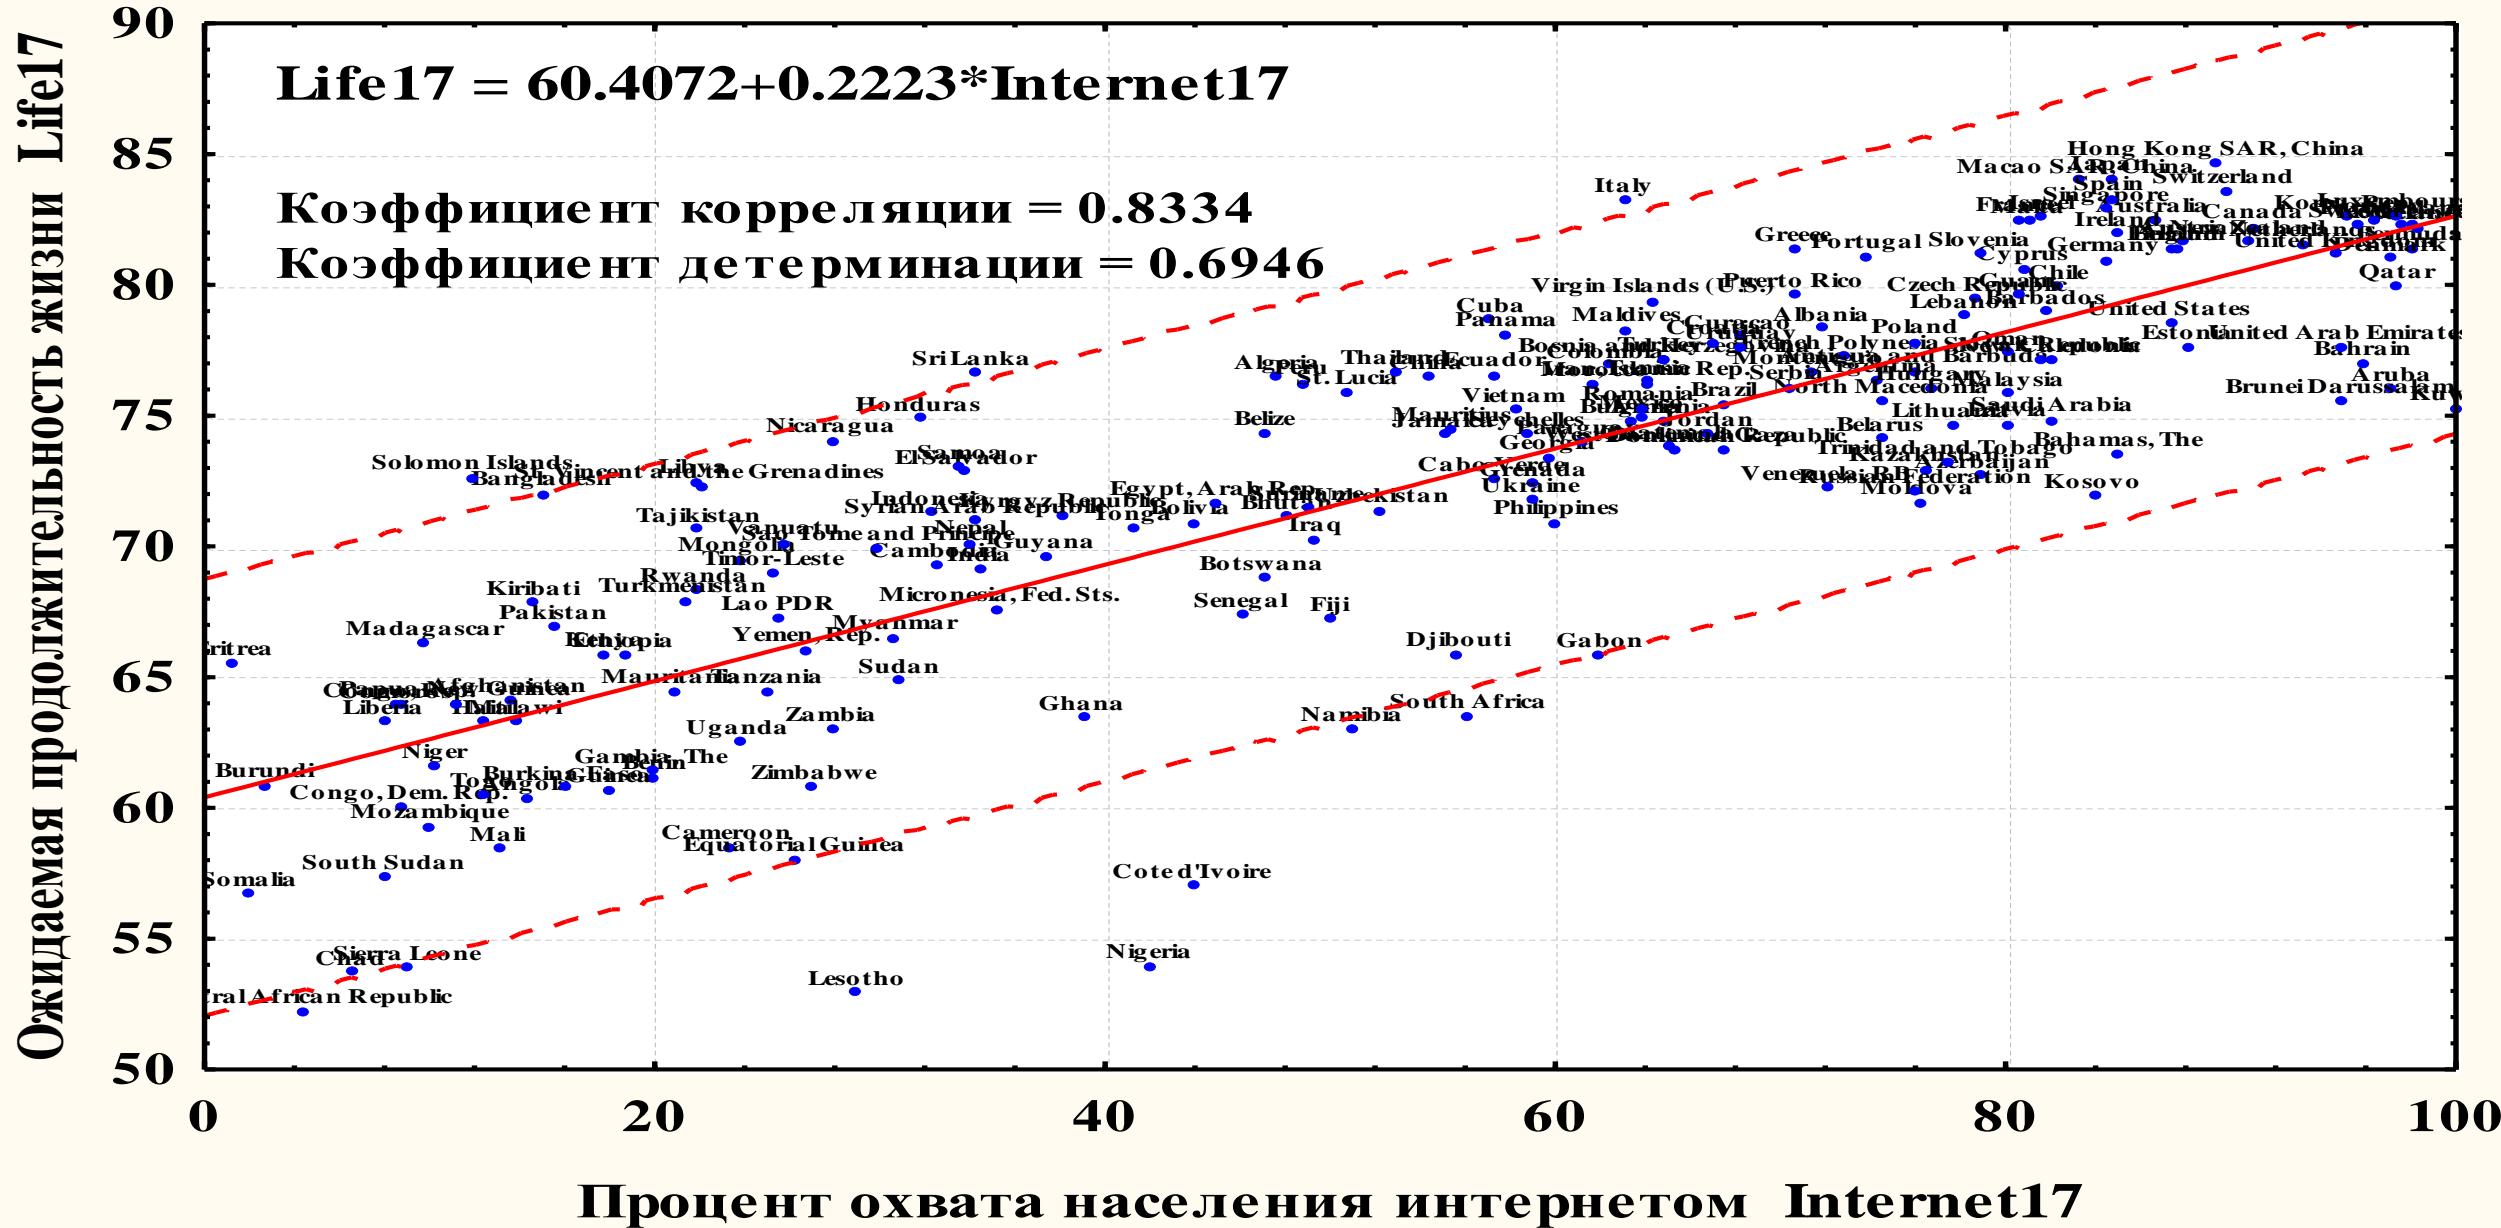

Линейная зависимость продолжительности жизни от рождаемости для стран мира в 2017 г.

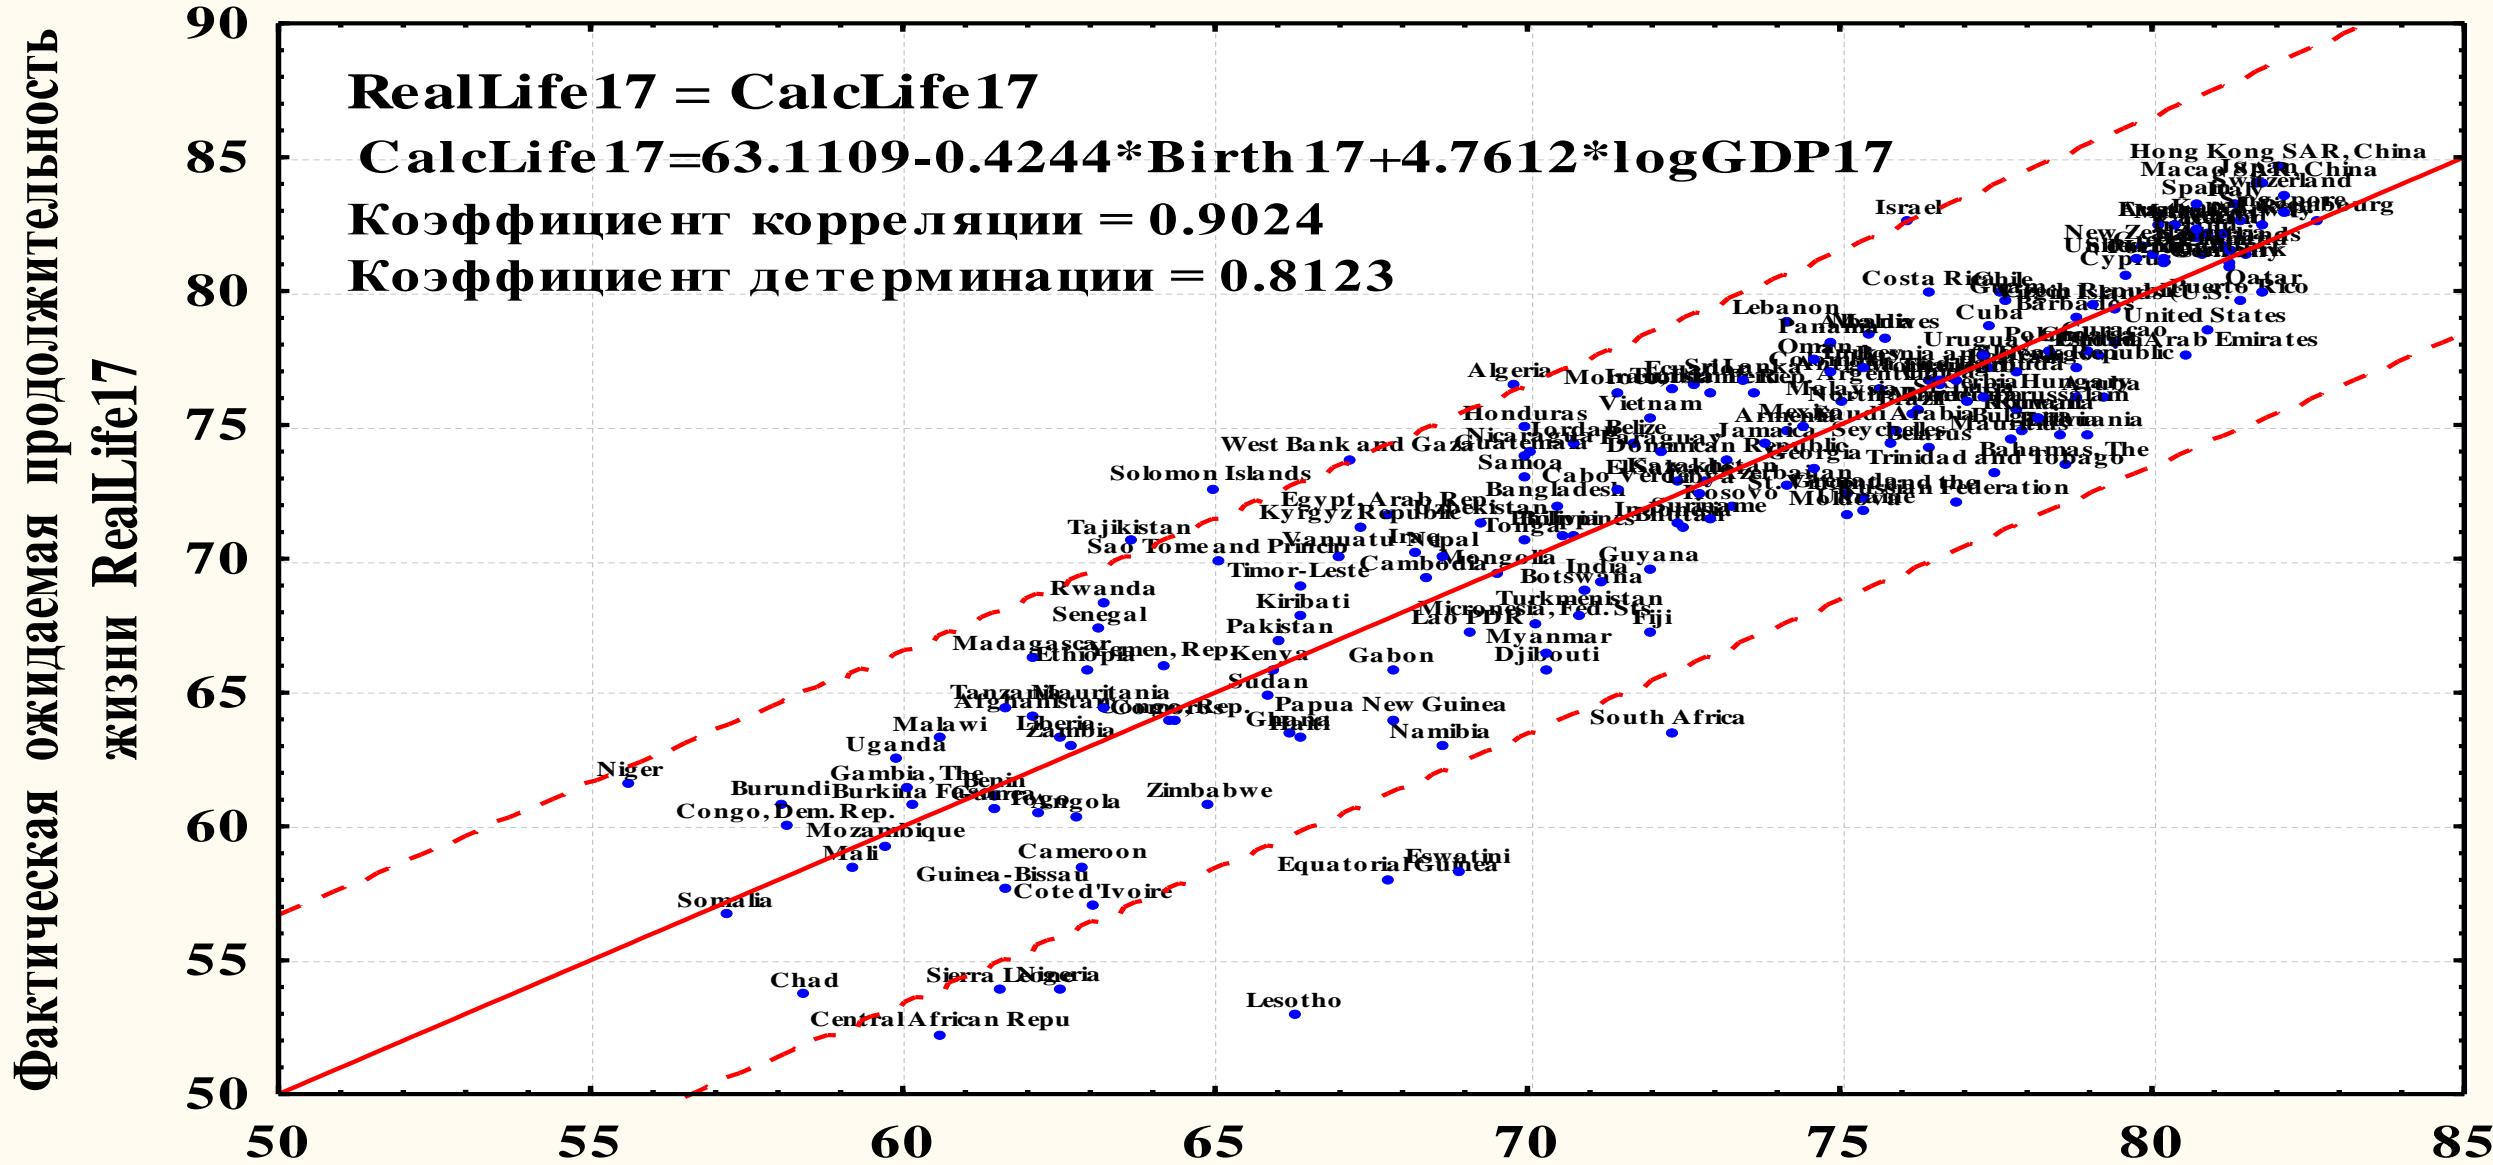

Линейная зависимость ожидаемой продолжительности жизни от логарифма душевого дохода для стран мира в 2017 г.

Линейная зависимость между ожидаемой продолжительностью жизни и процентом охвата населения интернетом для стран мира в 2017 г.

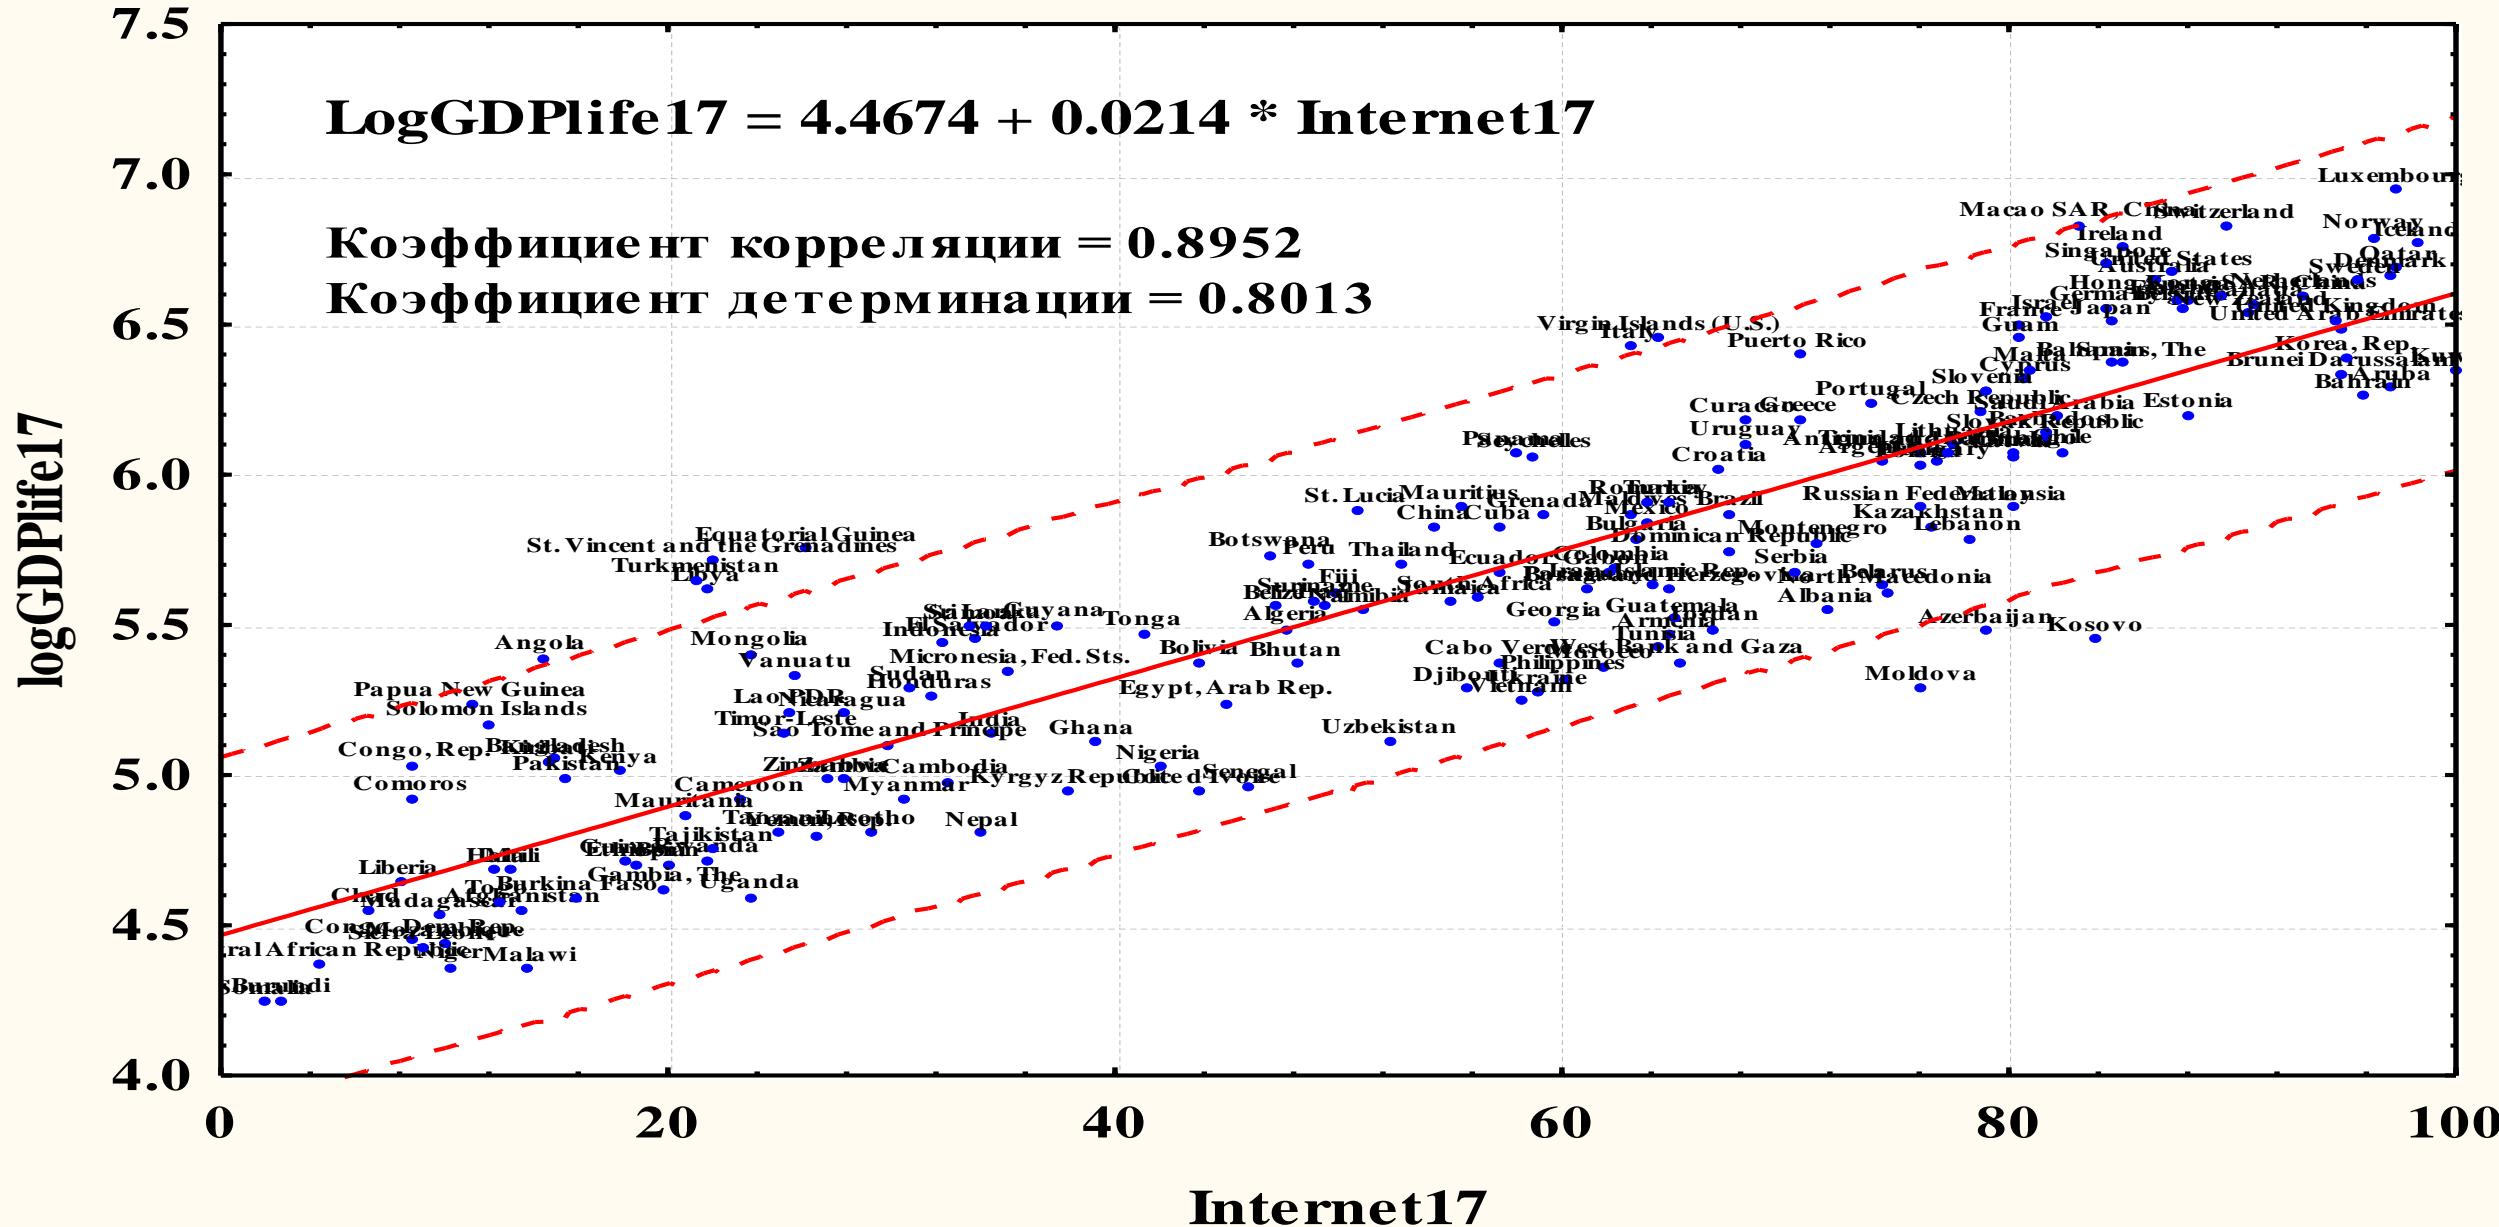

Линейная зависимость между фактической и расчётной ожидаемой продолжительностью жизни для стран мира в 2017 г.

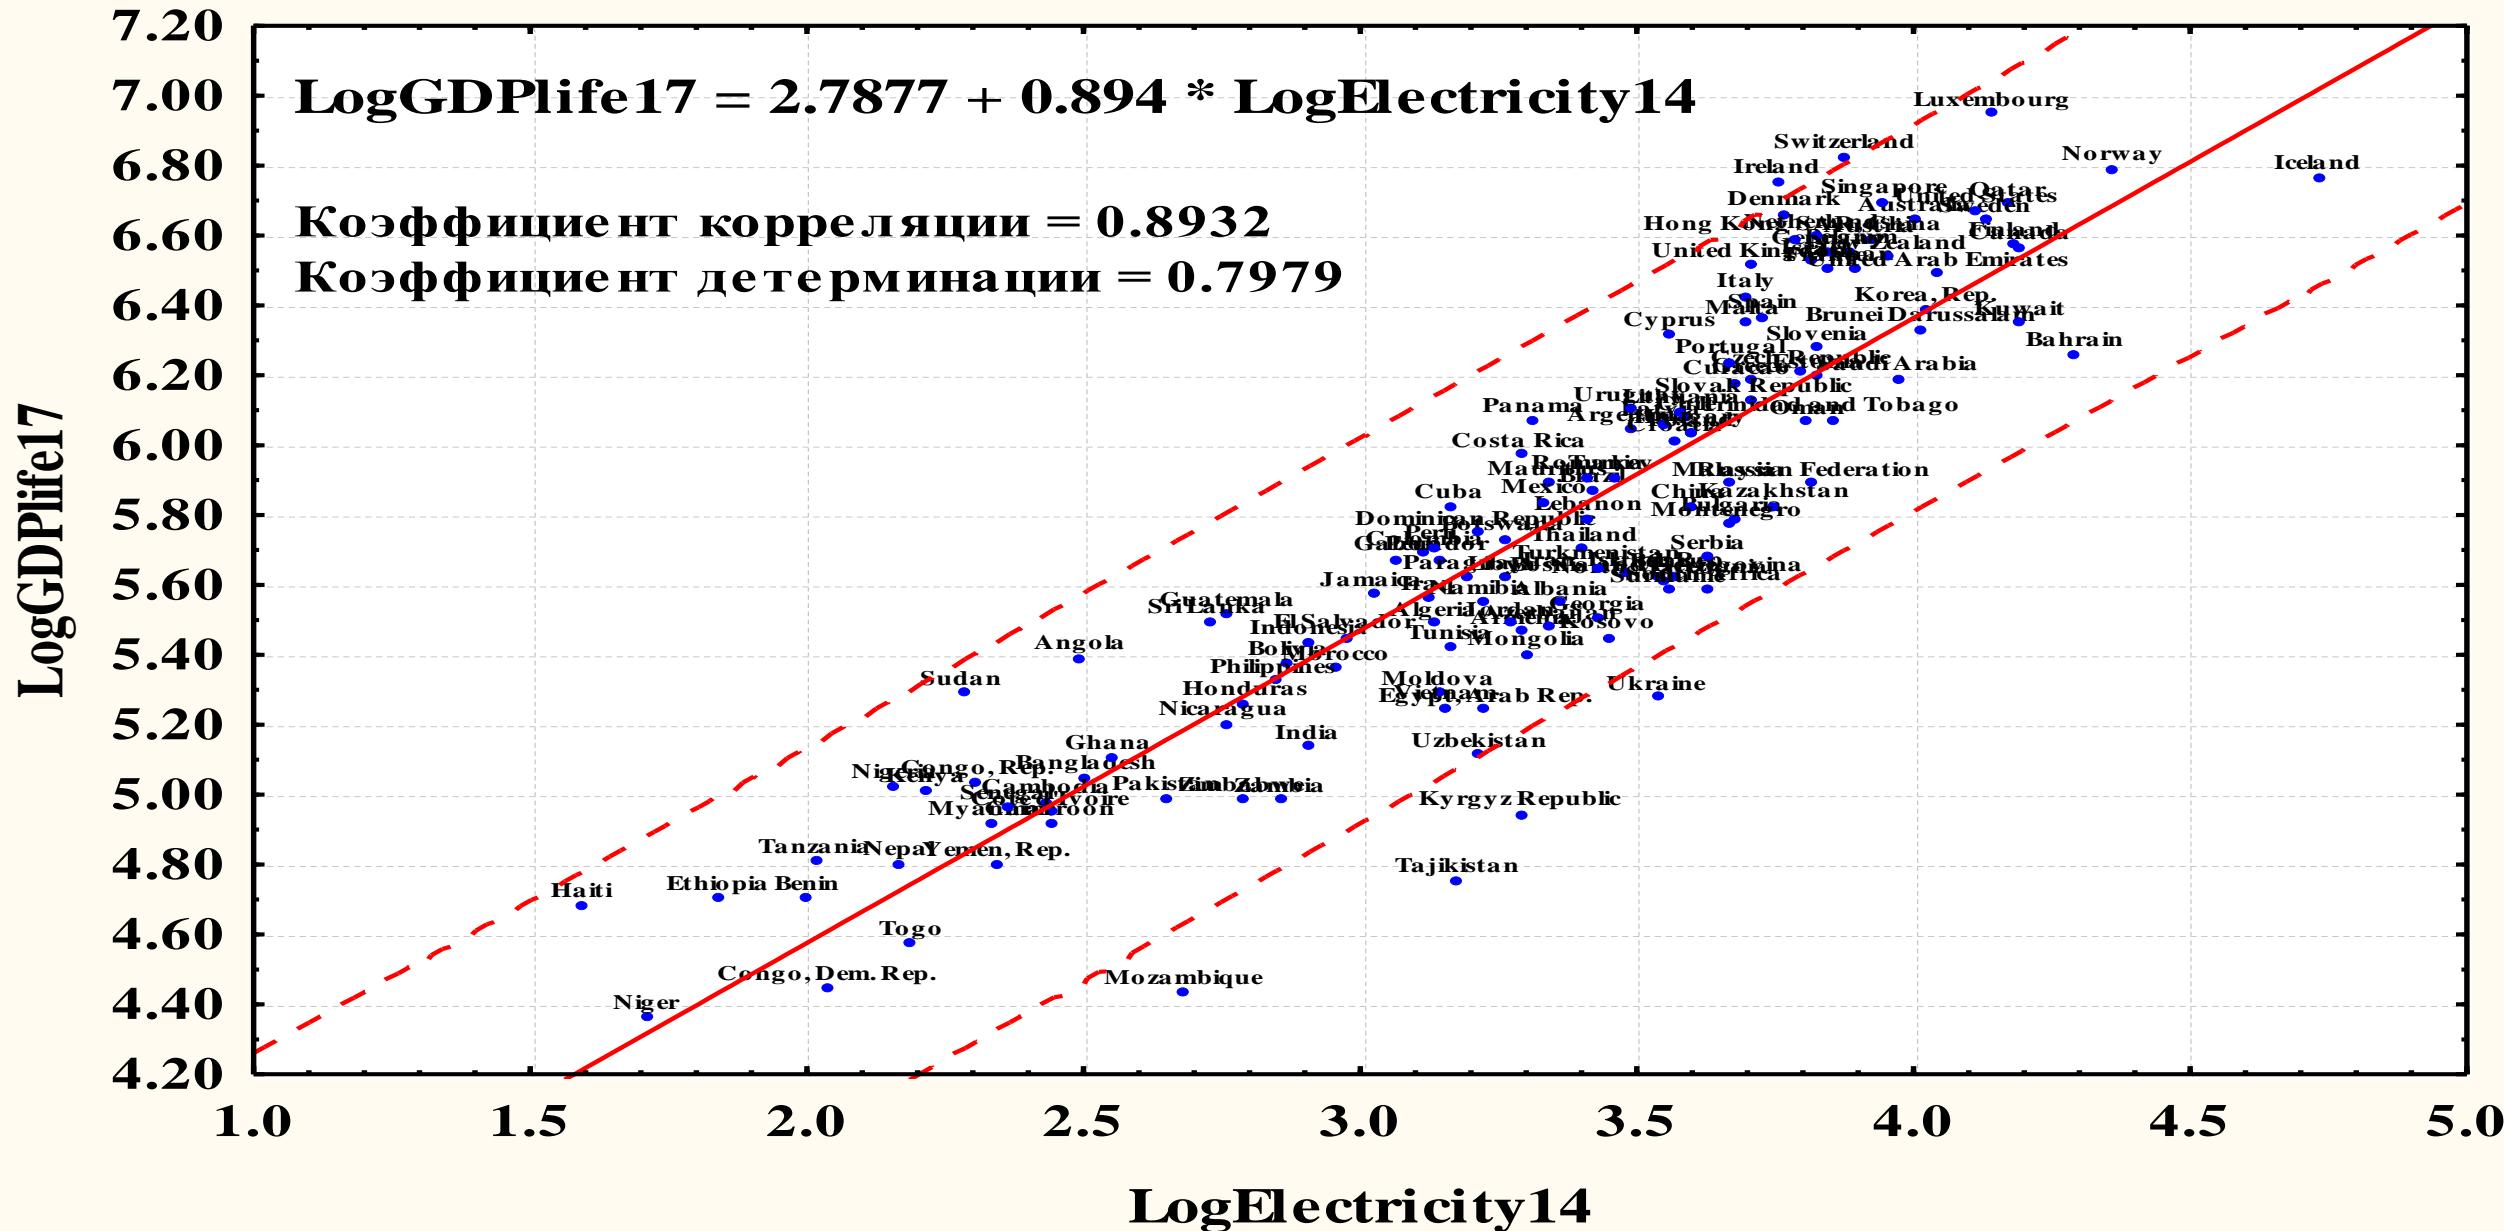

Расчётная ожидаемая продолжительность жизни CalcLife17

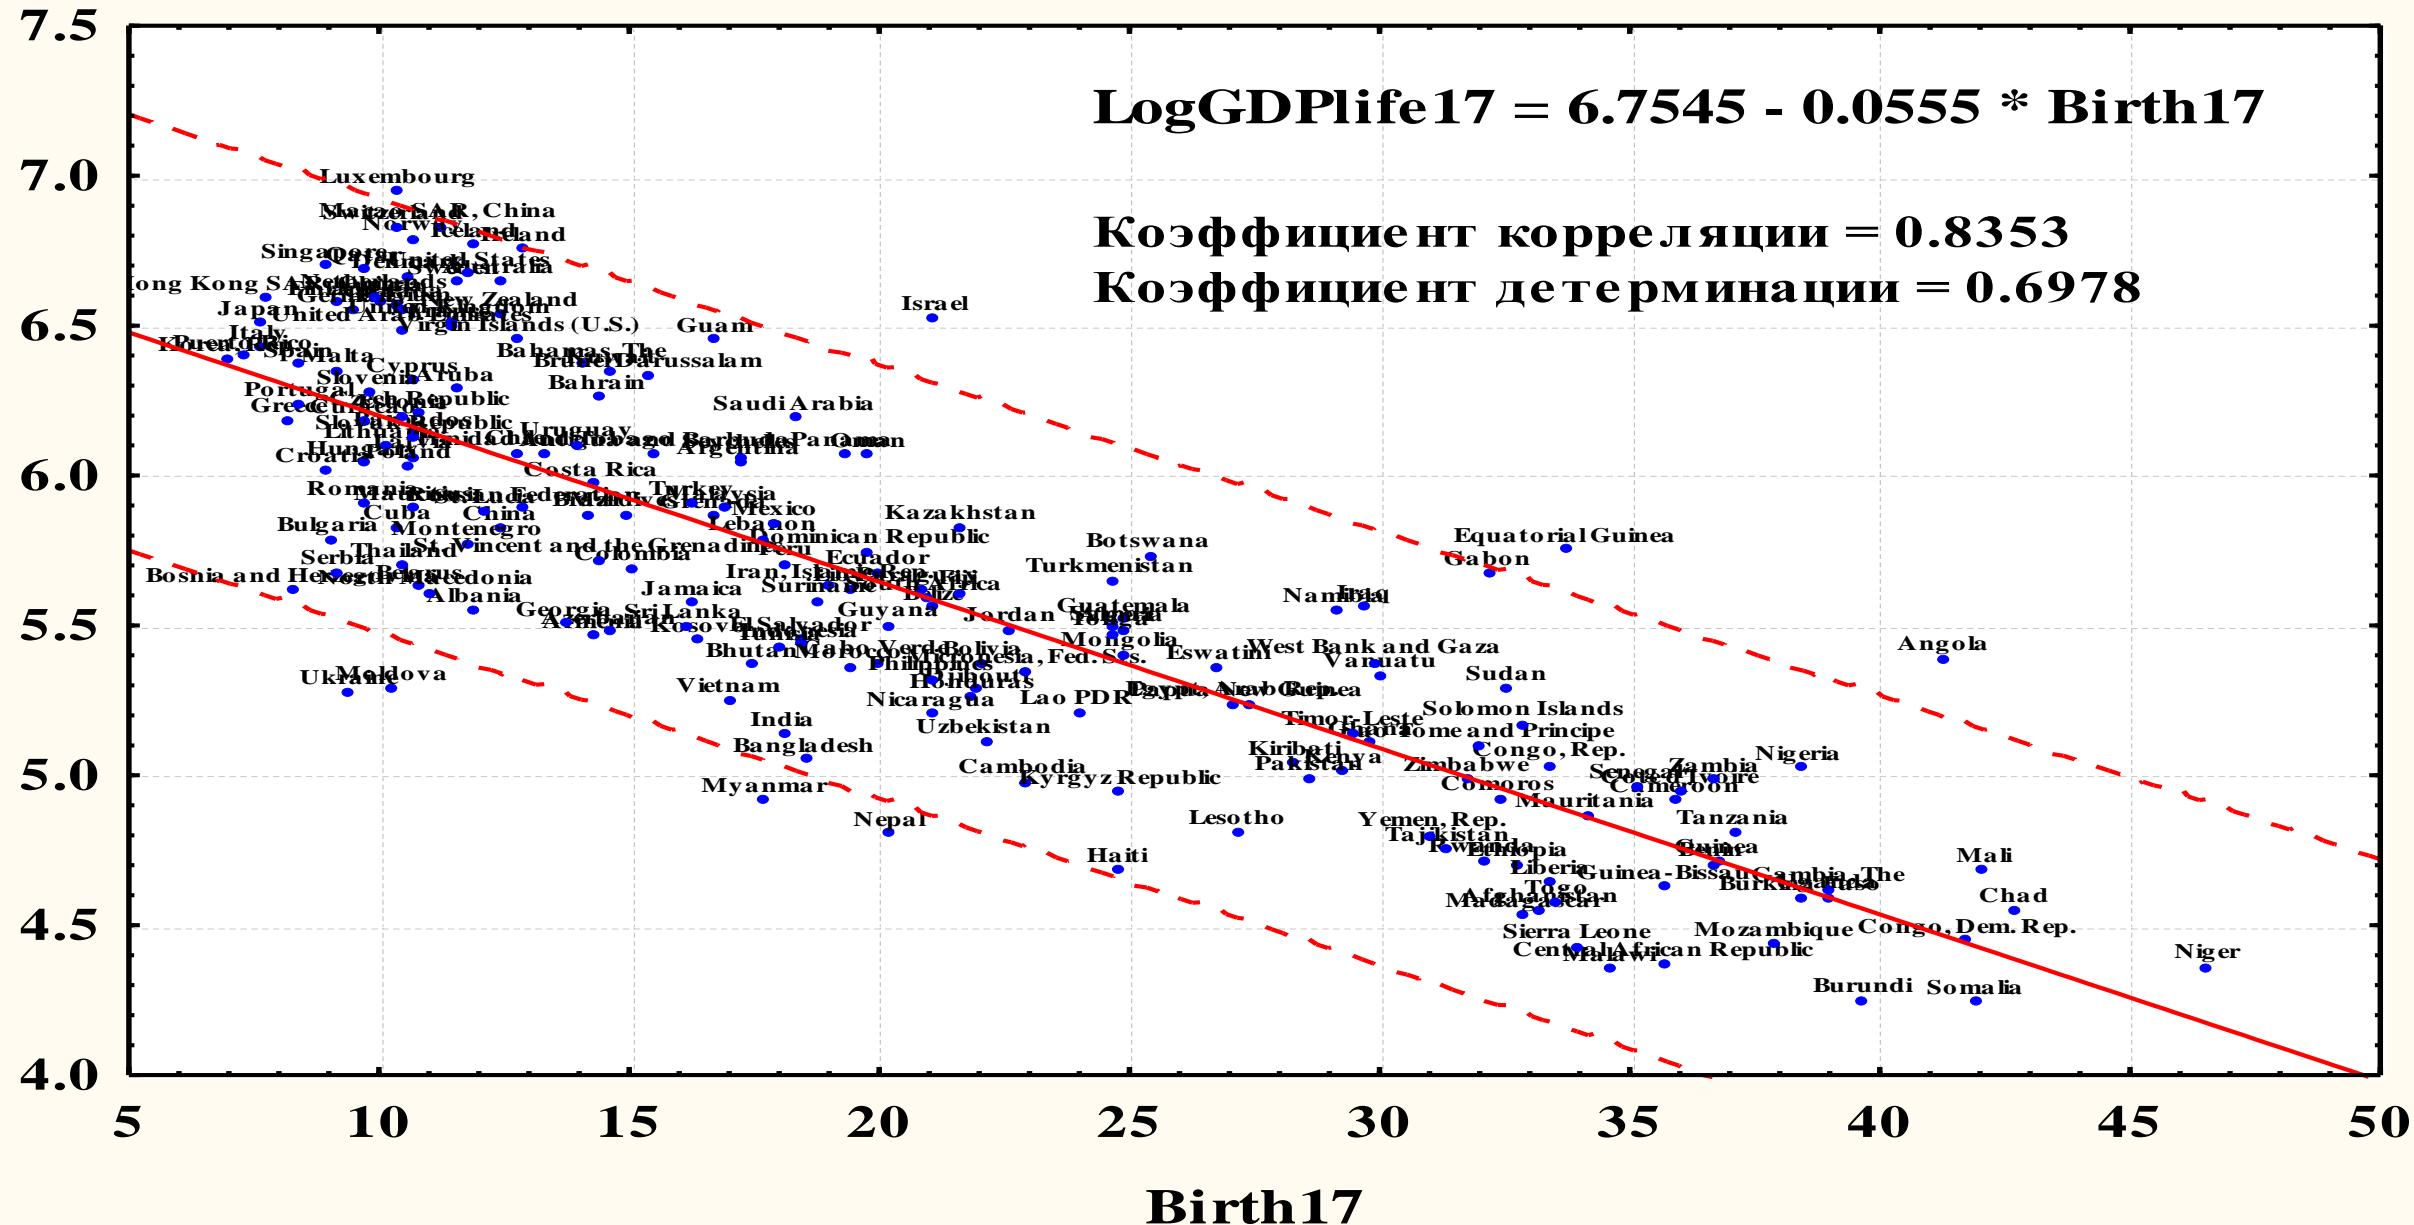

Линейная зависимость между логарифмом душевого жизненного дохода и процентом охвата населения интернетом стран мира в 2017 г.

Линейная зависимость между логарифмами душевого жизненного дохода и душевого электропотребления стран мира в 2017 г.

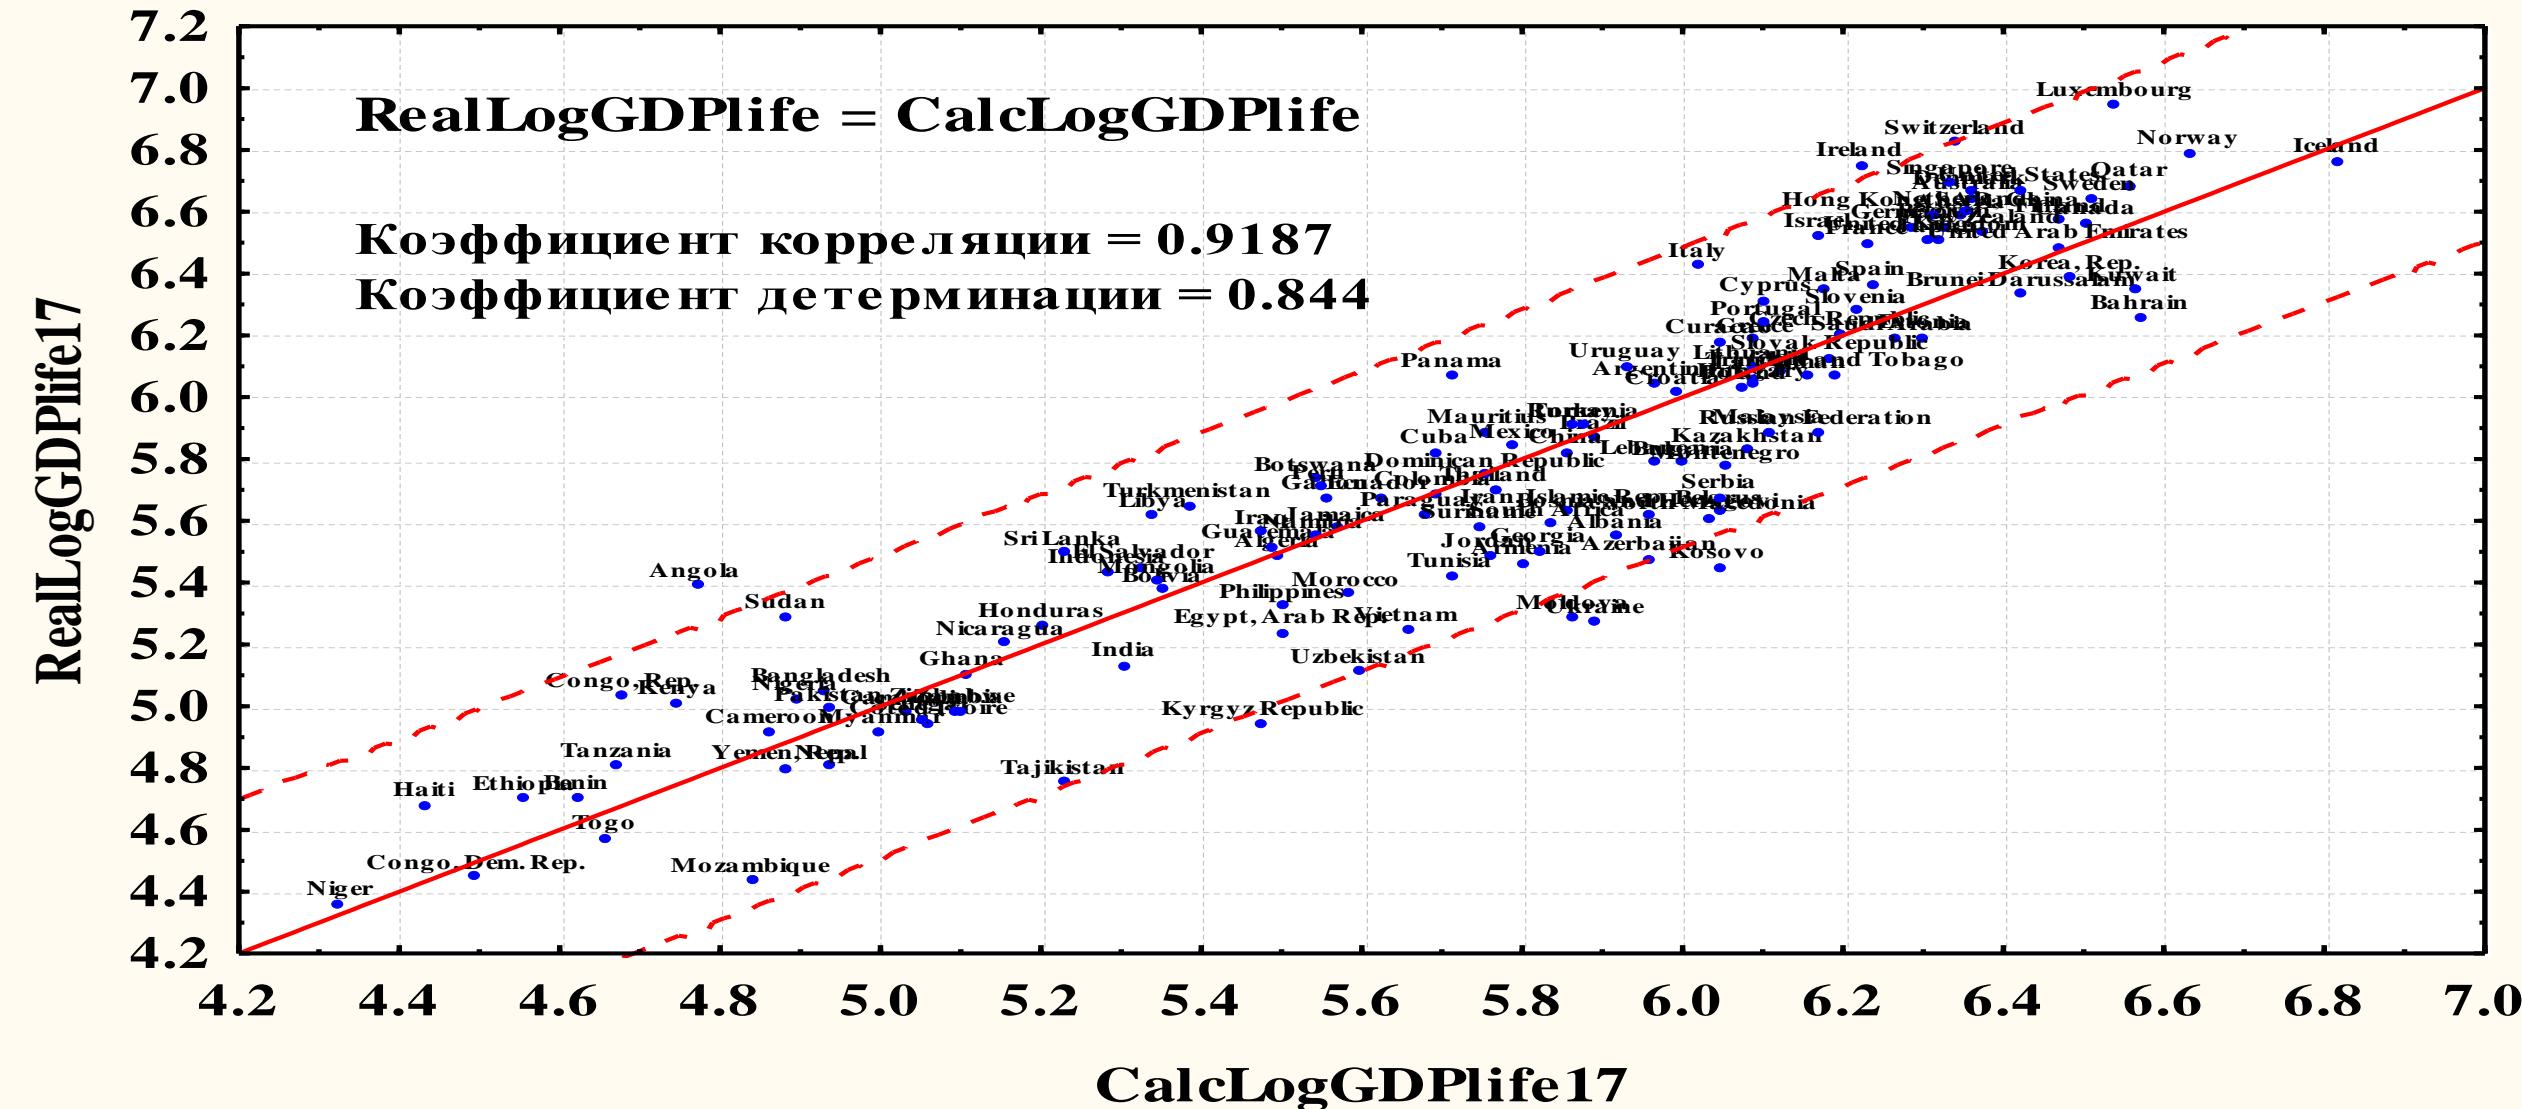

Линейная зависимость логарифма душевого жизненного дохода от рождаемости стран мира в 2017 г.

Линейная зависимость между логарифмами фактического и расчётного жизненного дохода для стран мира в 2017 г.

$$\text{CalcLogGDPlife17} = 3.7192 + 0.0009565 * \text{Internet17} + 0.4719 * \text{LogElectricity14} - 0.006396 * \text{Birth}$$

7 кластеров для 187 стран по уровню жизненного дохода в 2017г.
