Wassily Leontief

University Professor

November 20, 1995

To Whom It May Concern:

Judging by his (Russian) Monograph on "Optimization of Regional Supply of Energy in a Market Economy" published by the Ukrainian Academy of Sciences, Dr. Yufa is fully capable to handle not only theoretically but also empirically problems of energy as well as the economic aspects of production, distribution and utilization.

Sincerely,

... y, /-A A

Wassily Leontief
